Sir:

It is respectfully requested that the time for
responding to the outstanding Official Action on the above-
captioned application be extended for one month to and
including February 10, 1980.

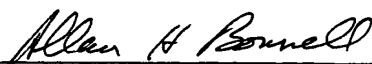

The first Official Action on this case was mailed
from the Patent and Trademark Office on October 10, 1979.
Promptly upon its receipt, it was reported to the applicants
who reside in Sweden for consideration. Instructions have

102

been received from the applicants; however, it appears that additional correspondence will be needed to prepare a complete response to the Official Action. Accordingly, it is respectfully requested that the time for responding to the outstanding Official Action be extended for one month to and including February 10, 1980.

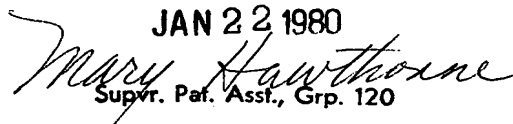

A duplicate copy of this request, together with a self-addressed stamped envelope, is enclosed herewith for the convenience of the Examiner to indicate the disposition of this request.

Respectfully submitted,
